## VISION

Divya Bharat Association envisions a vibrant tapestry of cultural collaboration, where the rich heritage of India intertwines harmoniously with the diverse cultures of Europe.

Through dynamic initiatives and inclusive platforms, we aim to foster mutual understanding, celebrate diversity, and forge lasting connections across borders.

Our vision encompasses a world where cultural exchange not only enriches communities but also serves as a catalyst for global harmony and prosperity.

Ali Hasnain (@AliTheHasnain) is a Vienna born Indian-Pakistani comedian. Staying true to his colourful background, Ali tries to verbalize the intricacies of life, often getting people to laugh and feel sad at the same time. Ali's comedy can be described as fun, observational, sometimes cringy, and wholesome. When he is not performing stand-up comedy, you can find him filling out Excel sheets during his day job.
